

# EAST MOUNTAIN NEIGHBORHOOD ASSOCIATION

## Minutes for March 15, 2023

Attendees: 19

The meeting was called to order at 7:05 PM by President Mike Ptak. He then led the membership in the Pledge of Allegiance followed by a moment of silence for our departed neighbors.

Secretary report is online.  
Treasury report was given.

Officer Tiffany Healy reported that all has been quiet in our area. She mentioned that the police academy will hold it's graduation on Tuesday, March 21, 2023 at the Palace Theatre. 13 candidates will graduate so they will be ready to go in 10 weeks. Also there are two (2) Coffee with a Cop events coming in April and May. Times and places will be in the newspaper.

Michael Tierney from the Silas Bronson Library was our guest speaker. He spoke of all the services the library has to offer. A library card is free. Books and movies are available. There are many online resources also. Programs for adults, young adults, and children are available at different times during the year. For example, you can take advantage of a crochet club, a book club, and a computer course. There is a movie night and a job search skills class for those interested. Lots of story time children's programs can be found.

Neighborhood watch quiet.  
Neighborhood council quiet since there was no meeting last month.  
Applications for our student grant are being sent to high schools.

We will need to have some flags and poles replaced this year.  
No update on the park renovations.  
It was suggested that our last meeting of the year in June be a food truck from perhaps Frankies. The association would pay some of the cost and the member would pay a small amount - depending on cost of food. It was suggested that it be held at the pavilion at East Mountain park.

Applications will be needed for President of the association.

Meeting was adjourned at 7:35 PM
