Community police officer Anthony Battista spoke:

- There were 213 investigations in our area – all these investigations were at businesses only – people trying to break in and rob them. No home issues.
- Very quiet in our neighborhood

Mike DiGiovancarlo spoke:

- The speed bumps will be installed at the park
- The irrigation system will be turned on soon
- Many upgrades have been done to our schools – elevators, infra structure work, upgrades, etc
- Peach Orchard Rd. will be repaved – it was too late last year when the job was completed so only a temporary pavement was put down
- The bids are all in for installing red-light cameras and speed cameras throughout the city
- REMINDER: There are crazy drivers out there. Please wait 3 seconds after the light turns green to proceed.

Trayvonn Diaz – the newest addition to the mayor's office spoke:

- He is the Community Outreach Manager and the voice to the city for residents
- He has access to federal funds for qualifying homeowners and non-profit organizations
- City services are available to residents who are in need

Mike Stere gave a report on the Waterbury Neighborhood Council:

- The council awarded three (3) scholarships citywide

Mike Ptak provided a proposal to have our East Mt. flag repaired. Part of it is sinking into the ground. It all needs to be reinforced, and drainpipes installed to stop the water damage. He will speak to Joe Geary in the Mayor's office to see if help is available to repair this.

The application for the East Mt. scholarship is on the website.

Many thanks to the men who installed our flags. Will need volunteers to take them down in September.

REMINDER: The next meeting for the East Mt. development will be Wednesday, June 11th.

Our end of year meeting will be on June 25th – the 4th Wednesday. It will be a Potluck Social. PLEASE, everyone come and bring your favorite dish for all to enjoy.

The meeting was adjourned at 8:00 PM
